We contact your insurance so you don't have to!

GET YOUR PUMP IN 3 SIMPLE STEPS

1

You Order

Pick your pump and complete our order form.

2

You Receive

Congratulations!
Fast, free shipping.
It's that simple.

3

We Verify

We verify your insurance coverage and request a prescription from your doctor.

milkstork®

acelleron®
a health and wellness company

Available as part of your Milk Stork benefit at milkstork.com by logging in to your **employee portal**.
Visit support.milkstork.com for help.

For questions, call 877-932-6327

Free indicates no out-of-pocket costs with participating in-network.

UNBOX YOUR PUMP

One of our pump experts will provide a brief overview of your pump with key features and benefits, what it comes with, how to setup and clean it, and give you pumping tips and tricks. Sign up for your free, 30 minute, virtual consultation at acelleron.com/virtual-consultations.

BREASTFEEDING EDUCATION

It’s clinically proven that the breastfeeding experience, success, and health outcomes improve when combined with education. Visit acelleron.com/bf-edu and use PROMO code **gD2gYN** to redeem your **FREE Breastfeeding – Before Birth & After** online education class.
