

HOW TO PLACE YOUR MILK STORK ORDER

Need help with your order?
Visit support.milkstork.com
to contact Customer Care.

- 1** **Log in to your company's Milk Stork portal:** www.milkstork.com/my-account. You'll need your work email address to create an account.
- 2** **Order your Milk Stork kit.** It comes with everything you need to ship or carry your breast milk home with you, including medical-grade coolers and shipping labels.
- 3** **Enter the delivery address for your Milk Stork order.** This is where you'd like to receive your empty Milk Stork cooler. It can be a hotel, short-term rental, or your home.
- 4** **Choose a Requested Delivery Date.** Your order will arrive on or before that date. Let your destination know that you are expecting a shipment.
- 5** **Enter your breast milk shipment address.** This is where you would like to send your breast milk shipment, often your home address.

Log in and place your order at www.milkstork.com/myaccount
We recommend placing your order 7 days before your anticipated travel date.
